Guide to completing the application

The First Home Owner Grant application form has eight sections. These sections must be completed as follows:

01 Eligibility criteria

Answer Questions 1 to 7 by ticking the relevant Yes or No box. The answers are designed to establish that the *applicant(s)* for the grant meets the eligibility criteria.

All persons with a *relevant interest* (refer to 'Terms used') in the property, and any *spouse/partner* of these persons, must be considered when answering these questions.

In exceptional circumstances, the *Commissioner* may use discretion relating to the eligibility criteria. Please contact the SRO for further information.

All decisions relating to the eligibility of an *applicant* are made by the *Commissioner*.

02 Applicant details

Detail the number of persons with a *relevant interest*. All persons who have, or will have, a *relevant interest* in the property must record their details in this section.

If there are more than two applicants, an additional application will need to be completed and attached.

If an *applicant* has a *spouse/partner*, there are two options. If your *spouse/partner* is an *applicant*, they must complete this section. If your *spouse/partner* is not an *applicant*, their details must be recorded within section 3.

Please nominate a postal address for correspondence to be sent on behalf of all applicants.

03 Spouse/partner details

This section must be completed by the *applicant* in relation to their *spouse/partner* who has not already been specified as an *applicant* in section 2. If this section is required to be completed the *spouse/partner* must complete the declaration in section 7.

04 Property and transaction details

Provide the current title (volume and folio numbers) details of the property. These can be obtained from the transfer of land form, a *title search* or the contract of sale. If unknown, enter the parent title details.

Provide the expected date of occupancy as *owner of the home*. Estimate this date if you are unsure. If an applicant's *spouse/partner* is not an *applicant*, they must read and understand all details on the application form before signing the declaration.

Penalties

The SRO, as part of its role in administering the *First Home Owner Grant Act 2000*, conducts ongoing investigations to ensure that applicants comply with the conditions of the Act. If applicants receive the grant when they are not entitled, or do not comply with the residency requirement, penalties and interest may be imposed. The amount of any penalty which may apply is dependant on the circumstances of each case and is in addition to having to repay the grant. In some circumstances the penalty applied is equal to the amount of the grant received.

Making a false or misleading statement in, or in connection with, this application

It is an offence for a person to make a false or misleading statement in or in connection with an application for a grant. If it is determined that a person has made such a statement, then they may be prosecuted.

All applications undergo a rigorous review where applicants are checked for former home ownership in Victoria and interstate. Other checks into *spouse/partner* status, council records, title details and finance particulars are undertaken on a routine basis.
